

Homescreen

The homescreen features a dark purple header with the DragonVault logo and navigation links: Home, Features, Sign up, and Login. Below the header is a large white section containing the headline "A Bank that is Simple and Secure". A sub-headline reads: "Manage your finances with our easy-to-use digital banking platform. Transfer funds, check balances, and more—all in one place." Two prominent blue buttons are present: "Get Started" and "Learn More". A section titled "Why Choose DragonVault?" lists three benefits: "Secure Transactions" (protected with OTP verification and identity checks), "Mobile Access" (access account anytime, anywhere via mobile banking), and "Fast Transfers" (send money internally or externally quickly). Each benefit has a corresponding icon.

Teller Dashboard

The screenshot shows the Teller Dashboard of the DragonVault application. The interface has a dark purple header bar with the DragonVault logo and navigation links for Home and Features. A sidebar on the left contains links for Account Holder Dashboard, Bank Teller Dashboard, Accounts, and Transfers. The main content area is titled "Teller Dashboard" and displays a welcome message: "Welcome, Teller!" followed by "Last login: Today 8:00". Below this is a "Transaction Details" section with fields for "Account" (a dropdown menu labeled "Select Account"), "Transaction Type" (two buttons: "Deposit" with a green arrow pointing down and "Withdraw" with a blue arrow pointing up), "Amount" (an input field showing "0.00"), and two buttons at the bottom: "Process Transaction" (green) and "Cancel" (gray).

Multiple accounts of Account holder

The screenshot shows the 'My Accounts' section of the DragonVault interface. It displays three accounts with their names, last four digits of the account number, and current balance:

Account Name	Balance
*****-****-1234	P 12,000.00
House Account *****-****-1234	P 75,000.00
Trip Savings Account *****-****-1234	P 5,000.00

Transfer Funds

The screenshot shows the 'Transfer Funds' section of the DragonVault interface. It lists three categories for transferring funds:

- Own Accounts
- Any Dragon Vault Account
- Other Banks or Wallets

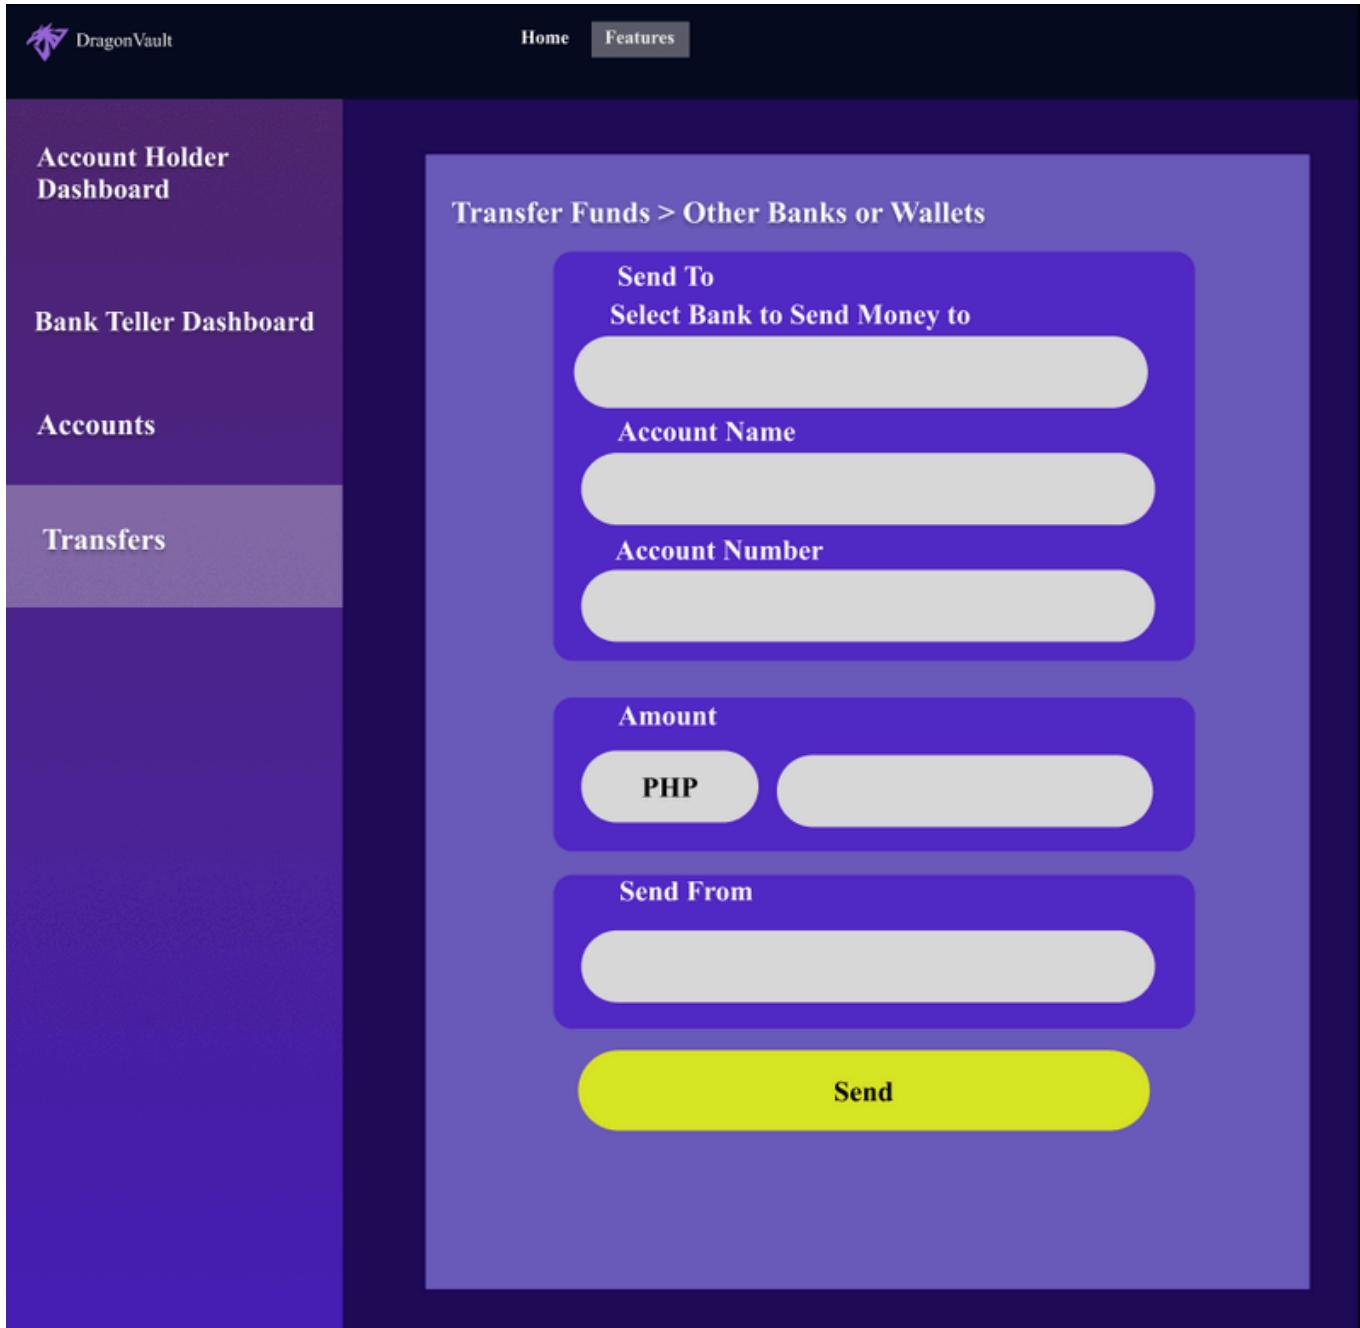

Transfer Funds>Own Accounts

The screenshot shows the DragonVault Account Holder Dashboard. On the left sidebar, there are links for 'Account Holder Dashboard', 'Bank Teller Dashboard', 'Accounts', and 'Transfers'. The main content area has a title 'Transfer Funds > Own Accounts'. It contains three input fields: 'Send To' (labeled 'Account Name'), 'Amount' (labeled 'PHP'), and 'Send From' (labeled 'Account Name'). A large yellow 'Send' button is at the bottom.

Transfer Funds>Other account in the same bank

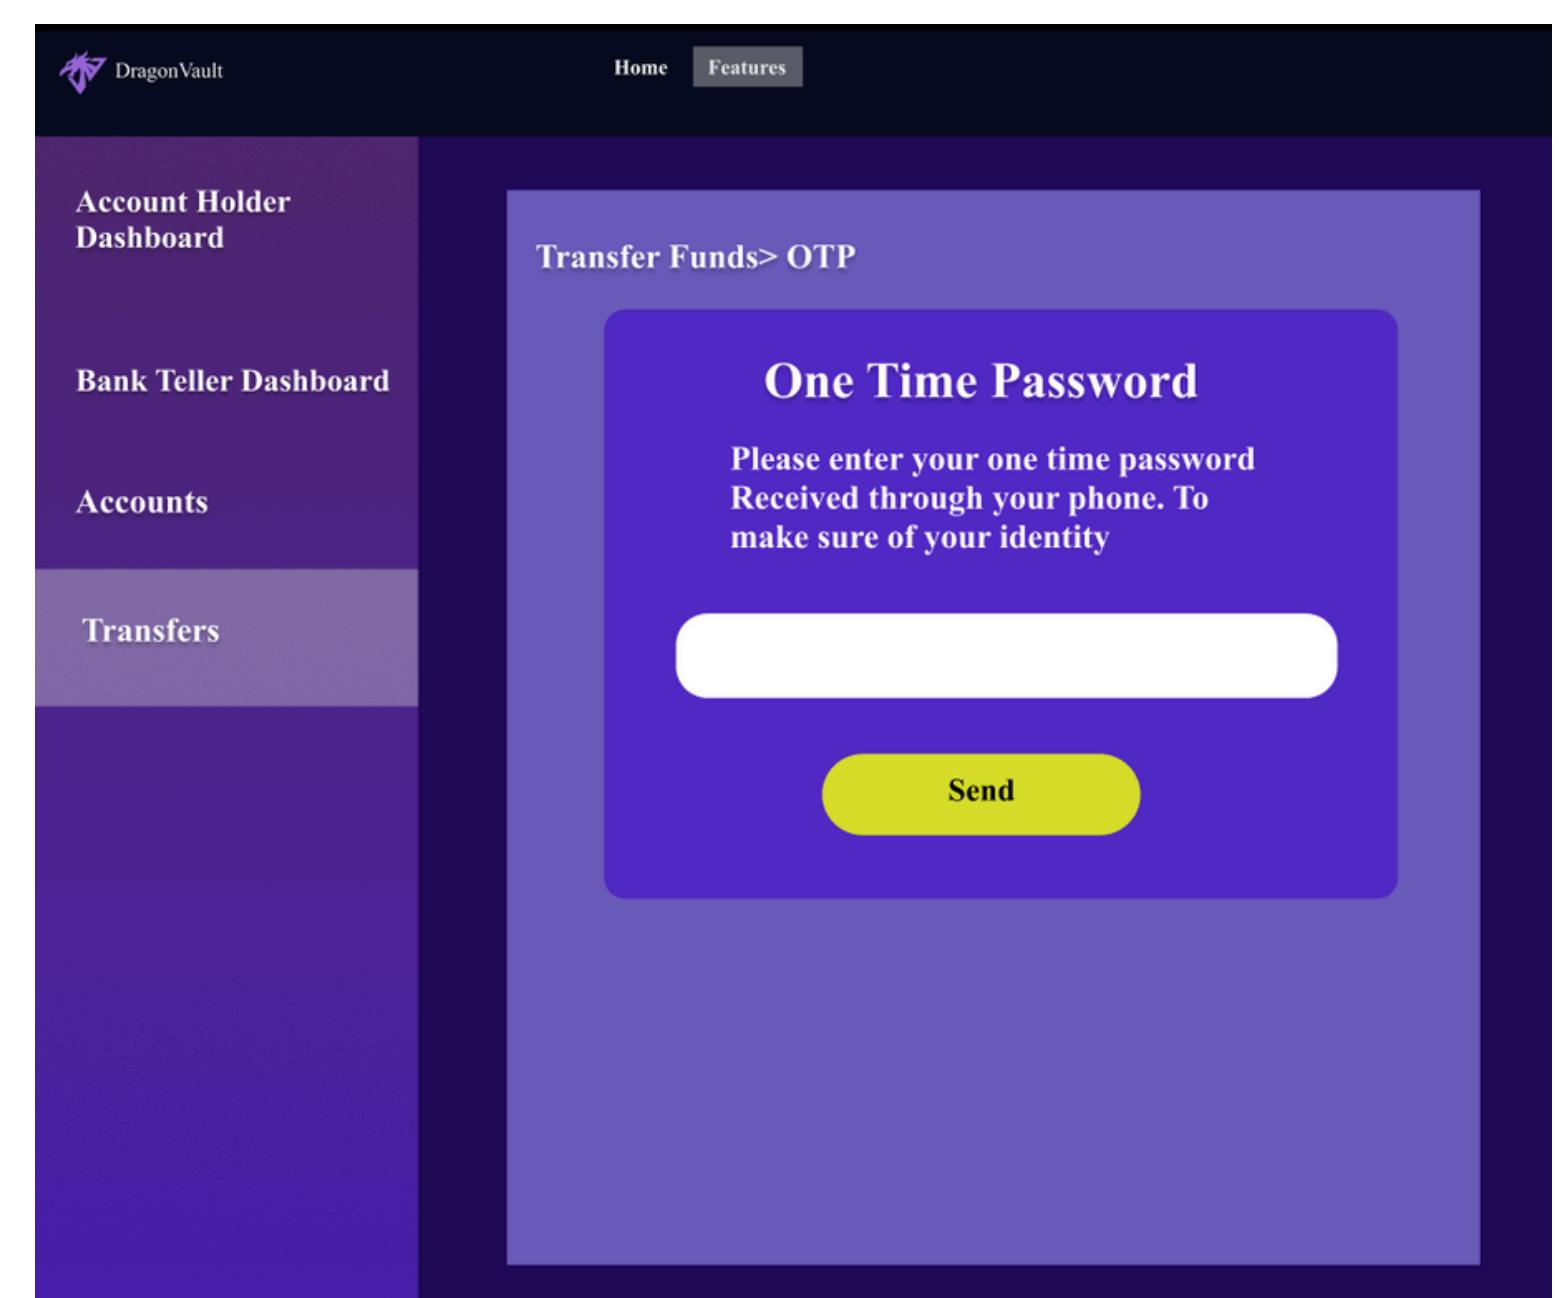

The screenshot shows the DragonVault Account Holder Dashboard. The sidebar and overall layout are identical to the first screenshot. The main content area has a title 'Transfer Funds > Other Dragon Vault Account'. It contains four input fields: 'Send To' (labeled 'Account Name (Optional)'), 'Account Number', 'Amount' (labeled 'PHP'), and 'Send From'. A large yellow 'Send' button is at the bottom.

Transfer Funds>Other banks

The screenshot shows the 'Transfer Funds > Other Banks or Wallets' page. At the top, there's a navigation bar with the DragonVault logo, 'Home', and 'Features'. On the left, a sidebar has 'Account Holder Dashboard', 'Bank Teller Dashboard', 'Accounts', and 'Transfers' (which is highlighted). The main area has a title 'Transfer Funds > Other Banks or Wallets'. It contains fields for 'Send To' (with 'Select Bank to Send Money to'), 'Account Name', 'Account Number', 'Amount' (with 'PHP' selected), 'Send From', and a large yellow 'Send' button at the bottom.

Transfer Funds>OTP

The screenshot shows the 'Transfer Funds>OTP' page. At the top, there's a navigation bar with the DragonVault logo, 'Home', and 'Features'. On the left, a sidebar has 'Account Holder Dashboard', 'Bank Teller Dashboard', 'Accounts', and 'Transfers'. The main area has a title 'Transfer Funds>OTP'. It contains a section for 'One Time Password' with the instruction 'Please enter your one time password Received through your phone. To make sure of your identity', followed by a text input field and a yellow 'Send' button.
