

DragonVault Website User Manual

Welcome to DragonVault!

This manual will guide you through the features and functionalities of the DragonVault website, making your online banking experience seamless and secure.

Admin User

1.1 Admin Login Guide

- To begin, navigate to the DragonVault system's Admin login page portal.
[Manager Login - DragonVault](#)
- After that you will be directed to the **"Admin Login"** page.
- You will see the admin login screen. Enter your Credentials:
Admin (Username): Enter your designated administrator username in the first field.
Password: Enter your secure password in the second field.
Click the **"LOG IN"** button to gain access to the control panel.

1.2 System Controls and Settings Guide

1. Register Teller:

- At the top of the page, you will find a **"Register Teller"** button.
- Clicking this button will direct you to the dedicated "Register Bank Teller" form, where you can create new accounts for bank tellers.

2. Transfer Limit Control:

- This section allows you to set the maximum amount users can transfer.
- **Current Transfer Limit:** View the existing maximum transfer amount (e.g., 400000.00).
- To change the limit, input the new desired amount into the field.
- Click **"Save"** to apply any changes made to the transfer limit.

3. Withdrawal Limit Control:

- This section enables you to define the maximum amount users can withdraw.
- **Current Withdrawal Limit:** View the existing maximum withdrawal amount (e.g., 250000.00).

- To change the limit, input the new desired amount into the field.
- Click **"Save"** to apply any changes made to the withdrawal limit.

4. **SMS Gateway:**

- This section controls the status of the system's SMS communication (e.g., for OTPs).
- **SMS Gateway Status:** View the current status (e.g., "Enabled").
- To change the status (e.g., enable or disable the SMS gateway), select the desired option from the dropdown menu.
- Click **"Save"** to apply the selected SMS Gateway status.

Bank Teller User

1.1 Bank Teller Log-In Guide

- First, open your web browser and go to the Bank Teller Login portal.
https://dragonvault.site/Dragon_Vault/private/teller_login.html
- After that you will be directed to the **"Bank Teller Login"** page.
- Once you're on the **"Bank Teller Login"** page, enter your Credentials:
Username: Enter the unique username you created during registration.
Password: Enter the password associated with your teller account.
- Once both fields are filled, click the **"Login"** button to securely access the teller system.

1.2 How to Process a Deposit

- On the teller dashboard home page, click on the **"Process Deposit"** section.
- You will be taken to a new screen. Here, you will typically need to:
 1. Enter the customer's **Account Number**.
 2. Input the **Amount** being deposited.
- Review all details carefully, then click a **"Confirm"** button to complete the transaction. A transaction receipt will be displayed.

1.3 How to Process a Withdrawal

- On the teller dashboard home page, click on the **"Process Withdraw"** section.
- You will be directed to a new screen. Here, you will typically need to:
 1. Enter the customer's **Account Number**.
 2. Input the **Amount** to be withdrawn.
- Carefully verify all information and customer identity, then click a **"Confirm"** button to finalize the transaction. Ensure the correct amount of cash is dispensed.

1.4 How to View Transaction History

- On the teller dashboard home page, click on the **"View Transaction History"** section.
- Once clicked, you will be directed to the **"Teller Transaction History"** page. This page provides a comprehensive list of transactions processed or related to accounts you are viewing.

Here's what you will see:

- **Transaction id:** a unique identifier for each transaction.
- **Account number:** the account number involved in the transaction.
- **Account holder name:** the name of the account holder.
- **Type:** indicates the nature of the transaction (e.g., "withdrawal", "deposit").
- **Amount (p):** the amount of the transaction in Philippine pesos.
- **Date & Time:** the date and time when the transaction occurred.
-

1.5 How to Edit Your Profile Information

- From your DragonVault dashboard, click on the **"Profile"** tab in the top navigation bar.
- On the **"My Profile"** page, locate your personal information (Full Name, Email Address, Branch) and click the **"Edit Profile"** button located below them.
- A new screen or pop-up will appear, allowing you to modify your existing details.
- After updating your information, click the **"Save Changes"** to confirm and apply your changes. Your profile will now reflect the new information.

1.6 How to Change Your Password

- Ensure you are on your **"My Profile"** page by clicking the **"Profile"** tab from your dashboard.
- Scroll down to the **"Security Settings"** section on the Profile page.
- Click the orange **"Change Password"** button within this section.
- A new screen or pop-up will prompt you to: enter your current password, enter your new password, and confirm your new password.
- Click the **"Update Password"** button to finalize your new password.

Account Holder User

1.1 Account Registration Guide

- First, open your web browser and go to the DragonVault bank app website.
<https://dragonvault.site/index.html>
- At the top of the page, you will see a navigation bar. Click on **"Sign Up"** to begin your registration.
- Once you're on the **"Create a New Account"** page, you'll need to provide some information:
 - Name:** Enter your First Name, Middle Initial (optional), and Last Name in the designated fields.
 - Email Account:** Type your active email address (e.g., yourname@example.com).
 - Mobile Number:** Enter your 11-digit mobile number.
 - Username:** Choose a unique username for your account.
 - Password:** Create a strong password. You can click "Show" to see what you're typing.
 - Confirm Password:** Re-enter your chosen password to confirm it. Make sure both passwords match.
- After filling in all the required information, click the **"SIGN UP"** button at the bottom of the form.

1.2 Log-In Guide

- On the main website, locate the navigation bar at the top. Click on **"Login"** to proceed to the login screen.
- You will now see the **"Log in to your account"** screen. Enter your credentials:
 - Username:** Enter the username you created during registration in the "Username" field.
 - Password:** Enter your password in the "Password" field.
 - LOG IN:** After entering both, click the **"LOG IN"** button to access your account.
- If you forgot your password, click on **"Forgot Password?"** link. Follow the prompts/steps to reset your password:
 1. Once you click **"Forgot Password?"** link, the **"Reset Your Password"** screen will appear.
 2. Enter the phone number associated with your DragonVault account.
 3. Click the **"SEND OTP CODE"** button. An One-Time Password (OTP) will be sent to your number for verification.

4. After sending the OTP, you will be directed to the **"Enter Verification Code"** screen.
 5. Carefully enter the received code into the six input boxes provided on the screen.
 6. If you did not receive the code, you can click **"Resend OTP"** after the timer counts down.
 7. Once entered, click the **"VERIFY CODE"** button to confirm your identity. You can also click **"BACK"** to return to the previous step.
 8. Upon successful verification of the OTP, you will be directed to the **"Create New Password"** screen.
 9. Enter your desired new password, re-enter the exact same new password to confirm it. Make sure both entries match. Click the **"RESET PASSWORD"** button to finalize your new password.
 10. After clicking **"RESET PASSWORD"**, a confirmation pop-up will appear, click the **"OK"** button on this pop-up to acknowledge the successful reset.
- If you don't have an account yet, click on **"Register"** to sign up.

1.3 Fund Transfer Guide

- From the Home page of your dashboard, in the **"Transfer Funds"** section, click the **"Start Transfer"** button to begin the process.
- After clicking **"Start Transfer,"** a pop-up window titled **"Select Type"** will appear, prompting you to choose the kind of transfer you wish to make:
 1. **Transfer to DragonVault Account:** Select this option if you want to send money to another account within DragonVault.
 - After selecting "Transfer to DragonVault Account", click the **"CONTINUE"** button to proceed.
 - You will now see the "Transfer Details" screen. Enter the **Recipient Account Number** of the DragonVault account and enter the **amount** you wish to transfer in PHP. Click **"TRANSFER"** to proceed.
 - After entering the transfer details, you will be presented with the "CONFIRM TRANSACTION" screen. Carefully review the **Recipient Account Number** and the **Amount** displayed to ensure all information is correct. Click **"CONFIRM"** to finalize and initiate the transfer.
 - For security, after confirming, simply enter the 6-digit OTP sent to your registered mobile number and click **"SUBMIT"** to verify your transaction.
 - Upon successful OTP verification, a "TRANSACTION RECEIPT" will be displayed, confirming your transfer. Click **"PRINT"** to get a physical copy of your transaction receipt. Click **"DONE"** to return to your dashboard or the main transfer page.

2. **Transfer to other Bank:** Select this option if you want to send money to an account held at a different bank (outside of DragonVault).

- After selecting “**Transfer to other Bank**”, click the “**CONTINUE**” button to proceed. If you wish to cancel the transfer, click “**CANCEL**”.
- You will now be presented with the "Transfer Details" screen, specifically for external transfers. Click the “**Select Bank**” field to choose the recipient's bank from a list. Enter the **Recipient Account Number** at the chosen bank. Enter the **amount** you wish to transfer in Philippine Pesos (PHP). Click “**TRANSFER**” to proceed with the fund transfer.
- After entering the transfer details, you will see the "CONFIRM TRANSACTION" screen for your external transfer. Carefully verify the **Bank**, **Recipient Account Number**, and **Amount** to ensure all information is accurate. Click “**CONFIRM**” to proceed with the transfer.
- For security, after confirming, simply enter the 6-digit OTP sent to your registered mobile number and click “**SUBMIT**” to verify your transaction.
- Upon successful OTP verification, a "TRANSACTION RECEIPT" will be displayed, confirming your transfer. Click “**PRINT**” to get a physical copy of your transaction receipt. Click “**DONE**” to return to your dashboard or the main transfer page.

1.4 To View Full Transaction History

- While on the Home page of your dashboard, to access a complete and detailed record of all your past transactions, simply click the “**View All**” button located at the bottom right of the “**Recent Transactions**” section. This will take you to a dedicated page with your full transaction history.

1.5 How to Edit Your Profile Information

- From your DragonVault dashboard, click on the “**Profile**” tab in the top navigation bar.
- On the “**My Profile**” page, locate your personal information (Full Name, Email Address, Phone Number) and click the “**Edit Profile**” button located below them.
- A new screen or pop-up will appear, allowing you to modify your existing details. Make the necessary changes to your email address or phone number.
- After updating your information, click the “**Save Changes**” to confirm and apply your changes. Your profile will now reflect the new information.

1.6 How to Change Your Password

- Ensure you are on your **"My Profile"** page by clicking the **"Profile"** tab from your dashboard.
- Scroll down to the **"Security Settings"** section on the Profile page.
- Click the orange **"Change Password"** button within this section.
- A new screen or pop-up will prompt you to: enter your current password, enter your new password, and confirm your new password.
- Click the **"Update Password"** button to finalize your new password.

1.7 How to contact us

- While you are successfully logged in to your DragonVault account, look at the top navigation bar of your dashboard. Click on **"Contact Us"** to proceed to the contact page.
- On the **"Contact Us"** page, you will find two primary ways to contact us:
 - **Direct Contact Information:**
 - **Address:** Our physical address is provided for your reference (F3Q2+GFJ, General Santos Ave, Taguig City, Metro Manila).
 - **Phone:** Our customer service phone number is listed (09123456789). You can use this to speak directly with our support team.
 - **Email:** Our official email address is available (dragonvault2025@gmail.com) for sending inquiries.
 - **Contact Form:**
 - **Your Name:** Enter your full name.
 - **Your Email:** Provide your email address where we can send our reply.
 - **Your Message:** Type your inquiry, question, or feedback in this field.
 - **Submit:** Once you have filled out all the fields, click the **"SUBMIT"** button to send your message to our support team.
- Another way to contact us is to visit the official DragonVault bank app website landing page. In the top right corner of the page, locate the navigation bar and select **'Contact Us'** to be directed to our Contact Us page.
